Notes to the Annual Expenditure Limitation Report
June 30, 2014

Note 1. Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the *Uniform Expenditure Reporting System* (UERS), as required by Arizona Revised Statutes §41-1279.07, and in accordance with the voter-approved alternative expenditure limitation adopted February 26, 2013, as authorized by the Arizona Constitution, Article IX, §20(9).

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed in part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds, Statement of Revenues, Expenses, and Changes in Net Position for the Proprietary Funds and Statement of Cash Flows for the Proprietary Funds.

Note 2. Reconciliation Subtractions and Additions

Details for the subtractions for depreciation and the additions for principal payments and the acquisition of capital assets are all provided in the Statement of Cash Flows for the Proprietary Funds and the financial statement footnote for long-term debt.

Note 3. Exclusions

Exclusions from local revenues, including those enumerated in the Constitution, may be taken against alternative expenditure limitations only if such exclusions are specifically identified in the resolution and the publicity pamphlet. The City's most recent resolution does not specify any exclusions and therefore, no exclusions are reported within this document.
